

HyFlex Gloves

Ultra Lightweight Assembly Gloves

Unmatched dexterity, fit, and comfort. HyFlex gloves feature a seamless knit nylon liner with palm and fingertips coated in a thin layer of blended patented nitrile foam. The back of the hand and knuckles are covered only by the nylon liner. This cool and comfortable design allows air circulation, helps reduce hand fatigue and provides maximum tactile sensitivity as well as superior grip and abrasion resistance.

Applications:

- General assembly
- Handling of small parts, especially where oil is present
- Use of small tools and instruments

Size	Mfr's #	Order #	Price Per Pair
